Faith Regional Health Services does not discriminate on the basis of race, color, sex, national origin, religion, age, disability, the presence or absence of any communicable diseases, marital or veteran status or any other protected class under relevant Federal or State law in the employment of personnel or in the admission, placement, method of payment or treatment of patients.

Grief is a normal, emotional, physical and spiritual response to loss.

As you grieve the loss of a loved one, you may wonder if you are the only one having problems with grief. Routine tasks may become more difficult. You may notice that you no longer have an appetite and sleep doesn't come easily. And some days, you may wonder if you are going "crazy." These are normal feelings associated with grief after the death of a loved one. Yet, you may feel that you would like a helping hand in your grieving process.

Many who hurt because of the death of a loved one recognize there is comfort, healing and encouragement when people who have faced similar events in life gather together and share their own experience and feelings in a non-threatening and supportive setting.

Bereavement Support, sponsored by Faith Regional Health Services, will meet in the Elkhorn Room at Faith Regional's East Campus, located at 1500 Koenigstein Avenue. The seven-week series will be held on Thursday evenings, October 13 through November 24, at 6:30 p.m. **Bereavement Support** will provide a safe place for you to process your own grief, receive support from others who have experienced loss, and learn ways to effectively cope with the work of grief.

If you would like more information or have any questions, please feel free to contact Fr. Jerry Connealy, BCC at (402) 371-4880, extension 6503 or Carol Curran, LMHP at (402) 644-7161.

To register, please complete the attached form.

Bereavement Support Registration

Name: _____

Address: _____

Phone: _____
